

WEATHER ALERT

CONTACT: Rhonda Thompson, OEM 973-321-3425
Patricia Cabrera, Mayor's Office, 973-321-1600

The National Weather Service has issued a wind advisory in effect until 1:00 am Tuesday January 24, 2017...Moderate to heavy rains are in effect from 1:00 pm through late tonight. High rain amounts can cause minor urban flooding.

We urge all residents to:

- Secure any loose outdoor items
- Prepare a disaster supply kit
- Make a family emergency plan
- Do not leave pets outside
- Check on friends and neighbors especially the elderly, disabled and sick
- Monitor your favorite news for storm updates

To report downed wires or power outages, call PSE&G's Customer Service line at 1-800-436-PSEG. Also, customers can report outages by logging into their PSE&G account online or by texting "OUT" to 4PSEG (47734).
