

The City of Paterson, Office of Emergency Management, would like to inform residents of anticipated steady rain this afternoon and this evening. Showers continue overnight. Rainfall is possibly over one inch. Winds could occasionally gust over 40 mph.

- Do not walk, swim or drive through flood water.
- Remember, just six inches of moving water can knock you down, and one foot of moving water can sweep your vehicle away.
- Stay off bridges over fast-moving water.
- Follow all traffic warnings and detours.
- Do not drive around barricades or closed-off streets.
- In case of emergency, please call 911 immediately.
