Additional Information:

The City of Paterson owns and operates its combined sewer system. Wastewater collected by the City system is conveyed to PVSC for treatment. The City of Paterson system includes combined sewer facilities and overflows in its jurisdiction. As such the City has an NJPDES permit for its Combined Sewer Overflow facilities. The City is seeking a consultant to coordinate the various activities associated with the operation of its Combined Sewer System.

Harry Cevallos, QPA, R.P.P.S.
Qualified Purchasing Agent
