

## **Notice to Residents of Passaic County**

### **Fair Housing Program**

Passaic County has received a CDBG DR grant from the NJ Department of community Affairs. These funds will be used for activities in the communities of: Paterson, Passaic, Wayne, Bloomingdale, Pompton Lakes, Little Falls, Hawthorne, Totowa and Woodland Park. The County and each of these communities fully endorses state and federal law regarding housing discrimination and actively promotes full access to housing opportunity, both rental and ownership, regardless of race, creed, color, religion, national origin, disability and/or familial status.

In order to affirmatively further fair housing, Passaic County has established a Fair Housing Program and appointed a Fair Housing Officer. Any person desiring information concerning fair housing or persons who believe they have been discriminated against in any housing related matter may contact the program for counseling and referral to State and federal enforcement agencies.

The Fair Housing Program may be contacted at the following address:
