

# ROLE MODEL

**Where REAL models are made!**

With the rise of eating disorders, teen pregnancy and other challenges facing adolescent girls, it is time for the community to rise up and begin molding positive female role models. ROLE MODEL is a non-profit organization that harnesses the influence of fashion and modeling to **increase self esteem, leadership and character** in adolescent girls. If you or your daughter suffers from low self-esteem, wants to enter the entertainment industry, or simply wants to be a better leader and ROLE MODEL, be sure to attend one of our info sessions.
