**PATERSON RECREATION  
SUPPORTS  
NATIONAL  
BREAST CANCER  
AWARENESS MONTH**

Dear Students, Parents and Guardians,

It is hard to believe but it is school time again!!! We were excited to have you participate in our summer camp programs here at the Paterson Division of Recreation.

Now it's time to get down to business.

We have the belief that through hard work and dedication it will make this a very successful school year. It is very important that you play an active role in the educational process.

In the weeks to come we will be opening our Afterschool Evening Center programs to help promote strong academic achievement. So look out for those.

We have truly considered it an honor and privilege to be in your child's life the past few months and we look forward to their development this year.

Sincerely,

A handwritten signature in black ink, appearing to read "B.E. Wimberly".

Benjie E. Wimberly  
Recreation Coordinator
