## **No Street Parking: Tuesday, 6/11 – “Newark”**

Their final day of filming was rained out, so “Newark,” the Sopranos prequel, is coming back for one day. This filming is behind the Main Post Office and under the train overpass between Grand and Essex St. **Biggest interruptions will be intermittent holding of traffic on Grand St/Essex St and Straight/Essex St on both sides of the train overpass. If possible, avoid Grand and Straight near Essex St during the afternoon of 6/11.**

With any questions, please contact the production company’s location office at (929) 265-6884.
