## **Street Closures and No Parking – Upcoming Downtown Activity**

Over the next few weeks, construction and filming activity will increase in downtown. Please note the following street and parking closures. **If the Main/Market Street intersection is part of your regular commuting path, please plan to use an alternate route as we expect major traffic delays in that area.** Closest lots to downtown for parking will be Paterson Parking Authority Sites 8 and 10. You can find details and directions at <https://www.patersonparking.org/maps>.

### **Monday, 8/12 at 10pm through Tuesday, 8/13 at 10pm**
