Job Description

Role and Responsibilities
Under direction, drives a motorized sweeping machine that cleans streets, parking lots, gutters and other areas to remove trash and other accumulations; does other related duties as required.

Examples of Work

- Drives, operates and controls a motor broom vehicle for the purpose of cleaning streets, parking lots, gutters and other areas where trash accumulates.
- Activates rotary brushes and water spray to pick up dust and trash from paved streets.
- Disposes of refuse in piles for later removal.
- May occasionally drive a truck and/or operate one or more types of gasoline/diesel-powered equipment.

(Tasks noted within this description are not all-inclusive. Other related tasks will be assigned.)

Requirements

EXPERIENCE: One (1) year of experience in driving a truck or in driving motorized lifting and moving, sweeping, excavating, grading, paving, earth moving, or related construction vehicles.

LICENSE: Appointees must possess a driver’s license valid in New Jersey.

NOTE: Appointees may be required to possess a valid Commercial Driver’s License (CDL) and applicable endorsements for the class, weight and type of vehicle being operated.

Knowledge & Abilities

- Knowledge of New Jersey motor vehicle laws and regulations.
- Knowledge of safety and efficiency guidelines for operating a motor vehicle equipment.
- Knowledge of the use of different sets of controls for operating motor vehicle equipment.
- Ability to handle different sets of controls used for operating motorized street sweeping equipment.
- Ability to read, write, speak, understand, and communicate in English sufficiently to perform duties of this position. American Sign Language or Braille may also be considered as acceptable forms of communication.
