

VISTA PARK

SATURDAY, APRIL 13, 2024

11:00am - 1:00pm

meet at Great Falls Youth Center 53 Front Street, near JFK High School

The City of Paterson and the NJ Park Service are hosting a design review planning event for the Paterson Vista State Park! This new 6.5 acre park is located at Paterson's highest point next to the Great Falls National Park! The park will provide many recreational opportunities for all ages, and a beautiful view of the Paterson area and beyond.

We need your input and ideas! Please join us to talk with your neighbors and directly with the park designers about what you would like to do, see and learn at Vista Park. Make your comments on several draft designs, add your input and imagine what you will do at this new park!

This public event is open to everyone, there is plenty of parking on site, and the meeting is accessible. Language translation will be available as well. Refreshments will be served!
